[ICO News Article: Former RAC employee fined for stealing data of victims of road traffic incidents](#)

A former employee of breakdown services company RAC has plead guilty and been fined for the stealing of data of victims of road traffic accidents.

[ICO Statement: Update on the ICO's change of approach to regulating communication service providers](#)

The Information Commissioner's Office (ICO) published a statement about the obligations of public electronic communications service providers (CSPs) under Regulation 5A of the Privacy and Electronic Communications Regulations 2003 (PECR).

[News Article: EU vows to get tougher on Big Tech privacy violations](#)

The European Commission will now require that EU nations share overviews of "large-scale" GDPR investigations every two months. This includes "key procedural steps" and actions taken — national regulators will have to show they're moving forward.
