[News Article: "Unacceptable" data scraping lands Meta a £228m data protection fine](#)

Meta has been fined €265m (£228m) by the Irish Data Protection Commission, following a prolonged inquiry into a data scraping incident.

[Blog: Post Lloyd v Google – where are we now with group proceedings in relation to data privacy?](#)

Looking back at the Supreme Court's decision in Lloyd v Google, a case which decided that representative actions for 'damage' caused by the data controller cannot be decided in a group basis using a representative action, and what has happened since then in relation to group claims for large scale data breaches.

[News Article: France Fines Discord under GDPR](#)

The French data privacy authority announced that it will fine Discord, a social messaging platform, €800,000 under the General Data Protection Regulation (GDPR).

[ICO News: ICO and Ofcom strengthen partnership on online safety and data protection](#)

The Information Commissioner's Office (ICO) and Ofcom have announced how we will work together to ensure coherence between the data protection and the new online safety regimes.
