[ICO News: Information Commissioner calls for an end to the excessive collection of personal information from victims of rape and serious sexual assault](#)

The UK Information Commissioner has called on the criminal justice sector to immediately stop collecting excessive amounts of personal information from victims of rape and serious sexual assault cases.

[News Article: Spain Hands Google €10 Million GDPR Fine for Violation of “Right To Be Forgotten” Rules](#)

Spanish data protection authority Agencia Española de Protección de Datos (AEPD) called the two infringements that led to the GDPR fine “very serious.” Both relate to Google’s transfer of EU citizen data to an academic research project based in the United States.

[News Article: Report on RTB: Adtech “Biggest Data Breach Ever Recorded,” Online Behaviour More Exposed in Countries Without Privacy Regulations](#)

The Irish Council for Civil Liberties (ICCL), a non-profit in operation since 1976, has issued a scathing new report calling the real-time bidding (RTB) adtech industry as a whole the “biggest data breach ever recorded.” The report finds that online behaviour is not only constantly and commonly tracked by web-spanning RTB programs, but that the data recorded eventually finds its way to countries all over the world.
