[ICO Fine: ICO fines three companies £415,000 for nuisance marketing](#)

The Information Commissioner's Office (ICO) has fined three separate companies a total of £415,000 for sending nuisance marketing to people about car finance, solar panels and funeral plans.

[News Article: Tunbridge Wells: Skinners' Kent schools closed after data breach](#)

Two schools have closed after hackers broke into their servers, stole data and encrypted pupil information. Officials at the Skinners' Kent Academy and Skinners' Kent Primary School said they "cannot be sure" exactly what information hackers have access to.

[News Article: European Data Protection Agency Examining Cloud Services: Data Must Be Sequestered From US Services To Remain GDPR-Compliant](#)

The fallout from last year's Schrems II decision continues as the European Data Protection Supervisor (EDPS), the EU's primary independent data protection authority, is now examining cloud storage services to ensure that their handling of citizen data is General Data Protection Regulation (GDPR)-compliant.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
