[National statistics: Freedom of Information statistics: April to June 2022](#)

This bulletin presents headline statistics for Freedom of Information (FOI) requests in central government for April to June 2022 (Q2), including key breakdowns by monitored body.

[News Article: Irish data protection watchdog defends handling of social media investigations](#)

Ireland's data protection watchdog has defended its stance and the pace of its investigations into breaches by social media giants.

[News Article: When one thing leads to another: Employer's use of CCTV Footage in Disciplinary Hearings](#)

The intersection of data protection and employment law continues to be important when considering the use of CCTV in disciplinary processes. In this briefing, we consider the impact of a recent Court of Appeal decision on this topic.

[News Article: BeReal: Can my post get me in trouble at work?](#)

It's "definitely a bad idea" to take a BeReal of your work screen, says a data protection expert.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
