[ICO Fine: ICO warning after Scottish charity reveals personal data in email error](#)

The Information Commissioner's Office (ICO) is urging organisations to revisit their bulk email practices after failures by HIV Scotland led to a £10,000 fine.

[News Article: Schools warned over facial recognition systems](#)

Schools using facial recognition systems should consider less intrusive ways to let pupils pay for meals, the UK's data privacy watchdog has said.

[News Article: iPhone App Privacy Not Superior to Android, Equal Amounts of User Tracking Seen on Both Platforms](#)

An in-depth study from the University of Oxford has examined 24,000 Apple App Store and Google Play apps, and found that Apple's "walled garden" approach has not necessarily made a difference in terms of app privacy.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
