[BBC News Article: Major incident declared in cyber attack](#)

Tewkesbury Borough Council took "necessary cyber response steps" and began shutting down its systems following the incident on Wednesday afternoon.

[News Article: Clearview AI fined over \\$33m for "illegal" facial recognition database](#)

US facial recognition firm Clearview AI has been fined €30.5 million by the Dutch data protection watchdog (DPA) for hosting an "illegal database".

[New ICO Guidance on information requests](#)

We've developed new FOI guidance to help the public search for existing, published information. We'd encourage public authorities to share this guidance to help improve transparency and reduce repeat requests.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
