[Blog: Why TikTok and the future of social is now on trial](#)

The last two weeks have seen social platforms, especially TikTok, answering lawmakers' questions about the social media app's data protections for users and its relationship with China.

[ICO News Article: "A crucial learning experience." - ICO calls for highest standards in HIV services after NHS Highland reprimand](#)

The Information Commissioner's Office (ICO) has issued a reprimand to NHS Highland for a "serious breach of trust" after a data breach involving those likely to be accessing HIV services.

[WASPI Newsletter April 2023 is now live](#)

We want your views on a proposal for the Wales Accord on the Sharing of Personal Information (WASPI) framework to apply to become an approved ICO Code of Conduct.
