[ICO News Article: ICO reprimands London Mayor's Office for Policing and Crime for complaint web form error](#)

The London Mayor's Office has today been reprimanded by the Information Commissioner's Office (ICO) for a web glitch that potentially revealed the personal information of people who were complaining about the Metropolitan Police Service.

[ICO Blog: ICO launches "consent or pay" call for views and updates on cookie compliance work](#)

As part of our cookie compliance work, I committed to providing the online advertising industry with clarity on ways in which it can use advertising cookies in compliance with data protection law.

[BBC Article: Your personal data all over the web - is there a better way?](#)

"From the beginning, I always meant for the web to be a platform for creativity and collaboration," says Sir Tim Berners-Lee, inventor of the world wide web.

*This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.*
