[ICO News Article: Former NHS secretary found guilty of illegally accessing medical records](#)

A former NHS employee has been found guilty and fined for illegally accessing the medical records of over 150 people.

[ICO Blog: What to consider when using online forms to receive information requests](#)

As freedom of information (FOI) practitioners, you have a responsibility to help requesters clarify what it is they want from you. You need to support them to submit requests in a way that enables you to provide a comprehensive and timely response.

[BBC News Article: Meta calls for parental control laws for under-16s](#)

Meta has called for laws that would force app stores to get parental approval when a child downloads an app.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
