[ICO backs new data sharing schemes to protect gamblers from harm](#)

The Information Commissioner's Office (ICO) has today backed proposals for the financial sector to share data with gambling companies to protect customers from unaffordable losses.

[ICO Blog: What happens when they don't pay? Our work to tackle unlawful marketing calls and messages](#)

Anyone can be on the receiving end of nuisance marketing calls, texts and emails – not only are they inconvenient and an invasion of privacy, they can also cause real distress.

[News article: Norway becomes latest country to pressure Meta's ad business](#)

On Monday, the Norwegian Data Protection Authority (Datatilsynet) said it will require Meta to stop behavioral advertising on Facebook and Instagram in the country for the next three months unless users give consent
