[ICO News Article: Our lives, our privacy: the 40 items that shaped 40 years of privacy rights](#)

We are marking our 40th anniversary by launching a digital exhibition telling the story of the most important moments in privacy and information rights over the past four decades.

[BBC: Met officer sacked for viewing Sarah Everard files](#)

A serving Metropolitan Police officer who accessed files relating to Sarah Everard's murder has been dismissed.

[See Similar Sky News: Three police officers guilty of gross misconduct over access to Sarah Everard murder files - with one sacked](#)

Three Metropolitan Police officers have been found guilty of gross misconduct after they accessed files relating to the Sarah Everard case with "no proper policing purpose", a tribunal has found.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition. Digital Health and Care Wales is not responsible for the contents or reliability of the linked websites and does not necessarily endorse the views expressed within them.
