[BBC News Article: Worker 'accessed child service data' without approval](#)

A council worker opened child services records of people they knew without permission, a local authority has said.

[BBC News Article: Warning after rise in email phishing scams](#)

Phishing is when fraudsters send scam emails or text messages containing links to websites that either access systems or trick users into revealing sensitive information and transfer money.

[ICO Statement: ICO statement on its public sector approach trial](#)

In June 2022 we revised our approach to working with public sector organisations and started a two-year trial, as set out in our open letter at the time.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition.
