[BBC News Article: Should you have to pay for online privacy?](#)

It is an increasingly common message from websites: browse for free - if you allow us to track your data and target you with personalised ads - if you don't, hand over some cash.

[BBC News Article: Uber fined €290m for personal data transfer](#)

The ride-hailing app Uber has been hit with a €290m (£246m; \$324m) fine for transferring the personal data of European drivers to US servers in violation of EU rules, the Dutch data protection regulator said on Monday.

[ICO News Article: Action taken against Labour Party for failing to respond to requests for personal information on time](#)

We have issued a reprimand to the Labour Party for repeatedly failing to respond to people who asked what personal information the party held on them – known as a subject access request (SAR).
