[ICO: Manchester employee handed suspended prison sentence for illegally accessing personal information](#)

A motor insurance worker who unlawfully accessed personal information has been handed a suspended prison sentence after an investigation by the Information Commissioner's Office (ICO).

[The UK's new approach to international data transfers: making international transfers easier?](#)

The UK government introduced the Data (Use and Access) Bill to Parliament (the DUAB). A previous [blog](#) summarised the changes to the UK's data protection framework that it will introduce.

[UK and allies warn about shift in cyber attackers exploiting zero-day vulnerabilities](#)

The UK and international allies have issued an alert showing an increase in cyber attackers initially exploiting previously unknown vulnerabilities to compromise enterprise networks.

[ICO: Rogue companies receive fines totalling £290k for making millions of nuisance calls](#)

The ICO have fined two companies, based in Greater Manchester, a total of £290k and issued them both with enforcement notices after they were found to have made numerous nuisance phone calls to people – who'd opted out of receiving marketing calls - attempting to sell them life insurance and debt management solutions.

This eAlert is intended for staff, both within Digital Health and Care Wales and other NHS organisations, who may have an interest in Information Governance issues that affect the NHS in Wales. If you have any articles which you feel would also be useful to colleagues, please feel free to forward them for inclusion in our next edition. Digital Health and Care Wales is not responsible for the contents or reliability of the linked websites and does not necessarily endorse the views expressed within them. Listing shall not be taken as endorsement of any kind. We cannot guarantee that these links will work all of the time and we have no control over availability of the linked pages.
