Reporting Guidance: Accessing Submission Reports and Achievement Data

Introduction

This guidance will provide basic information on how users can access their organisation's Submission Reports, enabling access to their achievement status and section percentages for each IG Toolkit submission the organisation has made on the Caforb platform.

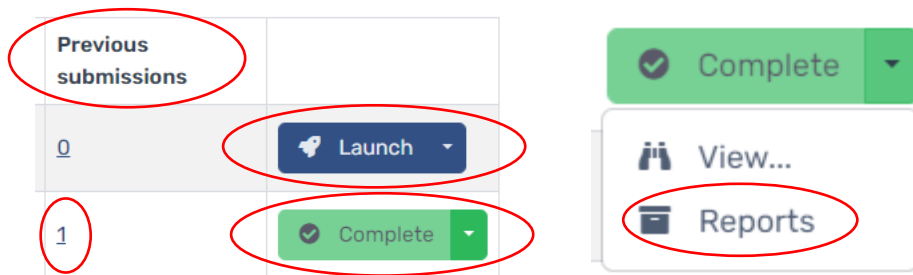

Step 1: Login to your account on the Caforb platform: <https://caforb.nhs.wales/en/Login/1>

Step 2: Locate the form and organisation you wish to access reporting information for.

Work your way through the report and refer to the right-hand corner at the top of each section to view the percentage achieved in that individual section. Please note: if the Minimum Expectations for a section have not been achieved, the Expectations Exceeded will display as 0% for that section, even when answers have been populated. It is not possible to achieve Expectations Exceeded in a section where the Minimum Expectations have not been achieved.
