Dear «Title» «LastName»,

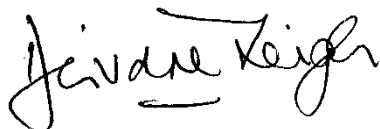

### **KH12: Radiology, nuclear medicine and medical physics**

As mentioned in my letter of 9 April, enclosing the KH14 (NHS day care) returns, we have been reviewing the collection of the KH12 return.

It is widely believed that the data submitted is inconsistent across the Trusts in Wales. Consequently it has been decided that we will no longer collect the KH12 return. However, we assume that you will need to continue collecting the data (no doubt you do collect the information in more detail anyway) for your own needs.

It is possible that we may need to contact you for data at some stage in the future. I'd be grateful if you could let me know if this is likely to cause problems.

Yours sincerely,

Mrs Deirdre Leigh  
Health Statistics & Analysis Unit
