

WELSH INFORMATION STANDARDS BOARD

DSC Notice:	DSCN 2022 / 05
Date of Issue:	24 th January 2022

Ministerial / Official Letter: None	Subject: Treatment Function Code (AMD)
Sponsor: Lisa Walters, Head of Data Policy and the National Data Resource, Department for Health and Social Services, Welsh Government.	
Implementation Date: Standard effective date: With immediate effect Health Board Implementation: TBC following agreement of implementation plan with national WPAS team and each individual health board.	

DATA STANDARDS CHANGE NOTICE

A Data Standards Change Notice (DSCN) is an information mandate for a new or revised information standard.

This DSCN was approved by the Welsh Information Standards Board (WISB) at its meeting on 20th January 2022.

WISB Reference: ISRN: 2021 / 017

Summary:

To update the NHS Wales Treatment Function code list to align with NHS England.

Data sets / returns affected:

- Admitted Patient Care (APC)
- Outpatient data set (OP ds)
- Outpatient Referral data set (OPR ds)
- Critical Care data set (CC ds)
- Referral to Treatment Times (Combined)
- Postponed Admitted Procedures (PAP ds)

Please address enquiries about this Data Standards Change Notice to the Data Standards Team in Digital Health and Care Wales

E-mail: data.standards@wales.nhs.uk / Tel: 02920502539

The Welsh Information Standards Board is responsible for appraising information standards. Submission documents and WISB Outcomes relating to the approval of this standard can be found at:

https://nhswales365.sharepoint.com/sites/DHC_DST/Lists/Information%20Standards%20Assurance%20Submission%20Log/AllItems.aspx

DATA STANDARDS CHANGE NOTICE

Introduction

Treatment Function Codes (TFC) are used extensively across NHS Wales for direct management of patient records, in referral, waiting list, appointment and admission records. These are also used for aggregation of data for service planning, performance management, financial costing, and surveillance. The inclusion of TFCs in such reports is essential to meaningful comparison and benchmarking of healthcare information across NHS Wales organisations.

In particular, the use of consistent TFCs across all national and local applications where they are used is a key enabler to system interoperability and efficiency – it ensures the consistency of meaning of data when it is being transferred between systems.

[DSCN 2014 / 08 \(AMD\)](#) was issued to update the NHS Wales list of permissible values associated with the TFC data item. This has formed part of an ongoing work programme to review and update definitions and codes associated with Specialty so that it is aligned across home nations.

This amendment defines an updated list of TFCs published by NHS Digital as part of the update to the [DCB0028: Treatment Function and Main Specialty Standard](#). These enhancements were previously agreed by the NHS England Treatment Function Maintenance Group following engagement with the Royal Colleges.

Description of Change

To update the NHS Wales TFC list to align with recent changes published by NHS Digital. The descriptions and rationale for the changes to the NHS Digital Data Model and Dictionary are outlined in [Change Specification v1.1 \(Amd 45/2019\)](#).

The changes to the NHS Wales Data Dictionary include:

- The addition of 25 new Treatment Function codes which were introduced to the NHS Digital Data Model and Dictionary on 2nd April 2020.
- Changes to titles and descriptions of a number of existing TFCs to better reflect the description of the service(s) being provided.
- The addition of 'Service' to the end of existing titles and descriptions, this is to make it clear that the codes represent services/service delivery.

Data Dictionary Version

Where applicable, this DSCN reflects changes introduced by DSCN and/or DDCN since the release of version 4.15 of the NHS Wales Data Dictionary.

The changes introduced by such DSCNs will be published in version 4.16 of the NHS Wales Data Dictionary.

Actions Required

Digital Health and Care Wales:

- Apply necessary updates to national reference data and dimension tables for use in Validation at Source Service and national specialty level reporting outputs
- For clarity, TFCs relates to the specialty under which a patient is treated and is NOT the specialty of the consultant. Therefore, there are NO data consistency checks in the Validation at Source Service (VASS) between TFC and the consultant.
- Ensure affected national applications managed by DHCW are upgraded so that the updated list of TFCs can be stored within the system.

Implementation

This standard introduces a change to the TFC list published on the NHS Wales Data Dictionary which will be updated with immediate effect at the next possible release date of dictionary.

Due to system and operational pressures, stakeholders were unable to indicate dedicated implementation plans and timescales within their impact assessment responses. Thus, the Data Standards Team suggested that a National Task and Finish Group should be established to manage the implementation. Implementation plans will also need to be developed in partnership with the national WPAS Team, and individual health boards to complete this piece of work.

The national roll-back mapping guidance was approved by WIDG at its meeting in January 2022 and will be presented alongside this Final Proposal to the WISB Board in the same month to be formally mandated.

Appendix A: Table reflecting areas that are impacted as a result of this DSCN

The following table shows where there are changes to the scope and/or definitions of applicable data sets, data items, terms and other associated areas that are linked with the changes documented within this DSCN.

Each data definition type is listed in alphabetical order and is shown in the sequence in which it appears in this DSCN.

Data Definition Type	Name	New/Retired/Changed	Page Number
Data Item	Treatment Function Code	Changed	5

Appendix B: Highlighted changes to be made to the NHS Wales Data Dictionary

Changes to the NHS Wales Data Dictionary are detailed below, with new text being highlighted in **blue** and deletions are shown with a ~~strikethrough~~. The text shaded in **grey** shows existing text copied from the NHS Wales Data Dictionary.

Treatment Function Code

This data item is / was included in the following data sets / collections between the dates shown:

Data Set / Collection	Valid From	Valid To
APC ds99	1 st April 1999	
OP ds	1 st April 1999	
EAL ds	1 st April 1999	21 st November 2012
CC ds	1 st April 2007	
OPR ds	1 st July 2008	
RTT (Combined)	1 st September 2011	
PAP ds	1 st April 2013	

(This data item was formerly known as 'Consultant Specialty Function Code' with the new title being implemented from 15th May 2006)

This is the specialty under which the patient will be or is treated. This may either be the same as the specialty function recorded as the consultant's main specialty or a different specialty function which will be the consultant's interest specialty function. Note that both the main specialty function and the interest specialty function should be based on one of the Royal College specialties.

For Referral to Treatment Times (RTT) (Combined):

Diagnostic Services

- For pre-consultant referrals to a diagnostic service specified in the table below, a 'pseudo' Treatment Function Code of 998 (Diagnostic Services) should be used.
- Following a consultant referral, the wait for a patient referred to any diagnostic service should be captured using the Treatment Function Code of the referring specialty.

Allied Health Professional (AHP) Services

- For pre-consultant referrals to an Allied Health Professional (AHP) service specified in the table below, a 'pseudo' Treatment Function Codes of 999 (Allied Health Professional Services) should be used.
- Following a consultant referral:

- Should clinical responsibility remain with the referring consultant, the Treatment Function Code should be that of the referring specialty.
- Should clinical responsibility for patient care transfer to an AHP service specified in the table below a Treatment Function Code of 999 should be used.

Consultant Referrals

- For consultant referrals, a 'pseudo' Treatment Function Code should not be used.
- As per current RTT rules, the Treatment Function Codes above are not to be used for the reporting of Mental Health and Learning Disabilities Referral to Treatment Times.

Diagnostic & Allied Health Professional (AHP) Services

Service	Service Subheading	Diagnostic or Allied Health Professional (AHP) Service
Audiology (Adult Hearing Aids)	Consultant GP	Diagnostic Service
Cardiology	Stress Test Echo Cardiogram	Diagnostic Service
Diagnostic Endoscopy	Gastroscopy Flexible Sigmoidoscopy Colonoscopy Cystoscopy Bronchoscopy	Diagnostic Service
Dietetics	Adults Paediatrics	AHP Service
Imaging	Fluoroscopy	
Neurophysiology	Electromyography Nerve conduction studies	Diagnostic Service
Occupational Therapy	Adults Paediatrics	AHP Service
Physiological measurement	Urodynamic tests Vascular technology	Diagnostic Service
Physiotherapy	Adults Paediatrics	AHP Service
Podiatry	Urgent Routine	AHP Service
Radiology – GP Referral	Barium Enema C.T. M.R.	Diagnostic Service
Radiology – Consultant Referral	Non-Obstetric Ultrasound Nuclear Medicine	Diagnostic Service
Speech & Language	Adults Paediatrics	AHP Service

Format: 3 digit numeric

Code	Treatment Function Title	Valid From	Valid To	Comments
Surgical Specialties				
100	General Surgery Service	Pre 28 th December 1995		Includes sub-categories not elsewhere listed e.g. endocrine surgery Services delivering surgical activity not covered by other subspecialty areas. The majority of elective procedures, about 80 per cent, fall outside subspecialty areas. For further information, see: Royal College of Surgeons - Surgical Specialties
101	Urology Service	Pre 28 th December 1995		Surgical services for the treatment of disorders of the urinary system and male reproductive system. This includes surgery for gender dysphoria. For further information, see: Royal College of Surgeons - Urology
102	Transplantation Surgery Service	1 st April 2015		Includes pre- and post-operative care for major organ transplants except heart and lung (see Cardiothoracic Transplantation). Excludes corneal grafts Services for pre- and post-operative care for major organ transplants except heart and lung. Excludes Cardiothoracic Transplantation Service - see Treatment Function Code 174, corneal grafts carried out by Ophthalmology Service - see Treatment Function Code 130 and Blood and Bone Marrow Transplantation Service - see Treatment Function Code 308. For further information, see: Royal College of Surgeons - General Surgery
103	Breast Surgery Service	1 st April 2015		Includes treatment for cancer, suspected neoplasms, cysts and post-cancer reconstructive surgery. Excludes cosmetic surgery Services which include surgical treatment for cancer, suspected neoplasms, indeterminate breast lesions, benign breast lumps, disorders of the nipple-areolar complex, cysts, and post-cancer reconstructive, revision and symmetrising surgery. Includes breast surgery for gender dysphoria. Excludes cosmetic surgery. For further information, see: Association of Breast Surgery
104	Colorectal Surgery Service	1 st April 2015		Services for the surgical treatment of disorders of the lower intestine (colon, anus, and rectum)
105	Hepatobiliary & Pancreatic Surgery Service	1 st April 2015		Includes liver surgery, but liver transplantation should be recorded in 102 Transplantation Surgery. Specialist surgical services for hepatobiliary and pancreatic (HPB) disorders. To be used by recognised specialist units and associated outreach services only. Excludes Transplant Surgery Service - see Treatment Function Code 102.
106	Upper Gastrointestinal Surgery Service	1 st April 2015		Services for surgical treatment of disorders of the upper parts of the gastrointestinal tract For further information, see: Royal College of Surgeons - General Surgery

107	Vascular Surgery Service	1 st April 2015	Services for surgical treatment of diseases of the vascular system. For further information, see Royal College of Surgeons - Vascular Surgery
108	Spinal Surgery Service	1 st April 2015	Surgery concentrating on specialised and complex treatment of the back and spine. The SERVICE has a significantly different composition and profile from the SERVICE provided in TREATMENT FUNCTION CODE – 110 Trauma & Orthopaedic. Excludes Spinal Injuries – see TREATMENT FUNCTION CODE 323 Surgery concentrating on specialised and complex treatment of issues of the back and spine. To be used by recognised specialist units and associated outreach services only. Excludes Trauma and Orthopaedic Service - see Treatment Function Code 110, Orthopaedic Service - see Treatment Function Code 111, Trauma Surgery Service - see Treatment Function Code 115 and Spinal Injuries Service - see Treatment Function Code 323. For further information, see: British Association of Spine Surgeons
109	Bariatric Surgery Service	24 th January 2022	Services assessing, managing, and treating obesity, and specifically consideration of bariatric (weight loss) surgery. It includes patients who are obese and have, or are at risk of, other medical conditions. It does not cover preventing a person from becoming overweight or obese, or lifestyle weight management programmes for a person who is overweight or obese. For further information, see: National Institute for Health and Care Excellence - Obesity
110	Trauma & Orthopaedics Service	Pre 28 th December 1995	Services to treat injuries, congenital and acquired disorders of the bones, joints, and their associated soft tissues, including ligaments, nerves, and muscles. Excludes Orthopaedic Surgery Service – Treatment Function Code 111 and Spinal Surgery Service- see Treatment Function Code 108. For major trauma centres use Trauma Surgery Service - see Treatment Function Code 115. For further information, see: Royal College of Surgeons - Major Trauma Surgery and Royal College of Surgeons - Orthopaedic Surgery
111	Orthopaedic Service	24 th January 2022	Services for the elective or planned surgical assessment or treatment of the musculoskeletal system. Excludes Trauma Surgery Service - see Treatment Function Code 115. Where there is no dedicated Orthopaedic Service use Trauma and Orthopaedic Service – see Treatment Function Code 110. For further information, see: Royal College of Surgeons - Orthopaedic Surgery
113	Endocrine Surgery Service	24 th January 2022	Services for the surgical treatment of diseases of the thyroid and/or other endocrine glands. For further information, see: Royal College of Surgeons - General Surgery
115	Trauma Surgery Service	24 th January 2022	Major trauma specialist services at a designated unit, with the specific exclusion of Spinal Surgery Service – see Treatment Function Code 108. Excludes elective or planned Orthopaedic Surgery Service - see Treatment Function Code 111. Where there is no major trauma centre use Trauma and Orthopaedics Service - see Treatment Function Code 110. For further information,

			see: Royal College of Surgeons - Major Trauma Surgery
120	ENT Ear Nose and Throat Service	Pre 28 th December 1995	Ear, nose, and throat Formerly known as ENT. Surgical services for the assessment, diagnosis, management and treatment of ear, nose and/or throat issues. Excludes Audiology Service - see Treatment Function Code 840. For further information, see: Royal College of Surgeons - Ear, Nose & Throat (ENT) .
130	Ophthalmology Service	Pre 28 th December 1995	The surgical treatment of disorders and diseases of the eye. Excludes Medical Ophthalmology Service - see Treatment Function Code 460 and Ophthalmic and Vision Science Service - see Treatment Function Code 461. For further information, see: Royal College of Ophthalmologists .
140	Oral Surgery Service	Pre 28 th December 1995	The diagnosis and surgical treatment of diseases, injuries and defects involving both the functional and aesthetic aspects of the hard and soft tissues of the head, mouth, teeth, gums, jaws and neck Services for the diagnosis and surgical treatment of diseases, injuries, and defects of hard and soft tissues of the mouth. Excludes departments delivering a Service where oral surgery and maxillofacial services are mixed (i.e. an Out-Patient clinic accepting oral surgery and maxillofacial surgery patients) - see Treatment Function Code 145. For further information, see: British Association of Oral Surgeons Specialty Training Curriculum - Oral Surgery
141	Restorative Dentistry Service	Pre 28 th December 1995	Endodontics, Periodontics and Prosthodontics are all part of Restorative Dentistry Services providing examination and treatment of diseases of the oral cavity, the teeth, and their supporting structures. Restorative Dentistry includes the dental specialties of Endodontics, Periodontics and Prosthodontics (including implantology), and its foundation is based upon how these interact in the management of cases requiring multifaceted care. For further information, see: British Society for Restorative Dentistry
142 ¹	Paediatric Dentistry	Pre 28th December 1995	Dentistry services dedicated to children with appropriate facilities and support staff.
143	Orthodontics Service	Pre 28 th December 1995	Services for the treatment of malocclusions (improper bites). Orthodontic treatment can focus on dental displacement only or can deal with the control and modification of facial growth. For further information, see British Orthodontic Society
144	Maxillofacial Surgery Service	1 st April 2016	Mouth, jaw and face related surgery Professional recommendation is to use Oral and Maxillofacial Surgery Service where this service is combined with oral surgery - see Treatment Function Code 145. Alternatively, for oral surgery services only see Treatment Function Code 140. This code has been retained for existing services which only provide maxillofacial surgery.

145	Oral and Maxillofacial Surgery Service	24 th January 2022	Combined services providing diagnosis and surgical treatment of diseases, injuries and defects involving hard and soft tissues of the mouth, jaws, and neck. These services may have formerly been categorised as Treatment Function Code 140 (Oral Surgery Service) or Treatment Function Code 144 (Maxillofacial Surgery Service). For further information, see: British Association of Oral & Maxillofacial Surgeons
150	Neurosurgical Service	Pre 28 th December 1995	The prevention, diagnosis, treatment, and rehabilitation of disorders which affect any portion of the nervous system including the brain, spinal cord, peripheral nerves, and extra-cranial cerebrovascular system The prevention, diagnosis, treatment, and rehabilitation of disorders which affect any portion of the nervous system including Surgical services for the treatment of disorders of the nervous system including the including the brain, spinal cord, peripheral nerves, and extra-cranial cerebrovascular system. Excludes Spinal Surgery Service - see Treatment Function Code 108. For major trauma centres use Trauma Surgery Service - see Treatment Function Code 115. For further information, see: Royal College of Surgeons - Neurosurgery
160	Plastic Surgery Service	Pre 28 th December 1995	Services to correct or restore form and function. In addition to cosmetic or aesthetic surgery, plastic surgery includes many types of reconstructive surgery, and the treatment of burns. For care given within specialist burn services, use Burns Care Service - see Treatment Function Code 161. Excludes breast surgery for gender dysphoria, use Breast Surgery Service - see Treatment Function Code 103. For further information, see: Royal College of Surgeons - Plastic and Reconstructive
161	Burns Care Service	1 st April 2016	To be used by recognised specialist units and associated outreach SERVICES only Services for the surgical and non-surgical treatment of burns within recognised specialist burns units and associated outreach services only. For further information, see: British Burn Association
170	Cardiothoracic Surgery Service	Pre 28 th December 1995	Services delivering surgical treatment of diseases affecting the heart and organs inside the thorax (the chest). Should only be used where there are no separate services for Cardiac Surgery and Thoracic Surgery. For further information, see: Royal College of Surgeons - Cardiothoracic Surgery
171 ¹	Paediatric Surgery	Pre 28 th December 1995	This is paediatric general surgery
172	Cardiac Surgery Service	1 st April 2016	Surgical treatment of the heart or great vessels Services delivering surgical treatment of diseases affecting the heart. Procedures are often lengthy and complex, requiring support from advanced forms of technology during surgery. For further information, see: Royal College of Surgeons - Cardiothoracic Surgery

173	Thoracic Surgery Service	1 st April 2016		Services providing surgical treatment of diseases affecting organs inside the thorax (the chest). Generally, treatment of conditions of the lungs, chest wall, and diaphragm. Predominantly this is surgical treatment of malignant disease or its effects. For further information, see: Royal College of Surgeons - Cardiothoracic Surgery
174	Cardiothoracic Transplantation Service	1 st April 2016		Services for pre- and post-operative care for heart and lung transplants. To be used by recognised specialist units and associated outreach services only. Includes pre- and post-operative services. For further information, see: Royal College of Surgeons - Cardiothoracic Surgery
180 ¹	Accident & Emergency	Pre 28 th December 1995		Services to care for patients with urgent problems delivered as part of an Accident and Emergency Attendance or admission at an Accident and Emergency Department.
191 ¹	Pain Management	Pre 28 th December 1995		Complex pain disorders requiring diagnosis and treatment by a specialist multi-professional team.
199 ²	Non-UK provider: specialty function not known, treatment mainly surgical (only applicable for overseas providers)	Pre 28 th December 1995	31 st March 2016	

Other Children's Specialist Services –

The Paediatric TREATMENT FUNCTION CODES represent CLINICS OR FACILITIES intended to provide dedicated SERVICES to children with appropriate facilities and support staff, i.e., they are designed for children only. If a CLINIC OR FACILITY provides this but also treats adult PATIENTS as part of the SERVICE, then a Paediatric TREATMENT FUNCTION CODE may not be appropriate. The age of the PATIENT attending does not initiate a change to the TREATMENT FUNCTION CODE for the ACTIVITY.

142	Paediatric Dentistry Service	Pre 28 th December 1995		Dentistry services to children with appropriate facilities and support staff. Dedicated children's services for dentistry with appropriate facilities and support staff. For further information, see: The British Society of Paediatric Dentistry
171	Paediatric Surgery Service	Pre 28 th December 1995		This is paediatric general surgery. Dedicated children's services for general surgery. For further information, see: Royal College of Surgeons - Paediatric Surgery
211	Paediatric Urology Service	1 st April 2016		Dedicated children's services for surgical treatment of disorders of the urinary system and male reproductive system. For further information, see: British Association of Paediatric Surgeons - Urology
212	Paediatric Transplantation Surgery Service	1 st April 2016		Includes pre- and post-operative care for major organ transplants except heart and lung (see Cardiothoracic Transplantation). Excludes corneal grafts. Dedicated children's services for pre- and post-operative care for major organ transplants except heart and lung. Excludes Paediatric Cardiac Surgery Service - see Treatment Function Code

			221, Paediatric Thoracic Surgery Service - see Treatment Function Code 222, corneal grafts carried out by Paediatric Ophthalmology Service - see Treatment Function Code 216 and Blood and Bone Marrow Transplantation Service - see Treatment Function Code 308. For further information, see: Royal College of Surgeons - General Surgery
213	Paediatric Gastrointestinal Surgery Service	1 st April 2016	Dedicated children's services for surgical treatment of disorders of the gastrointestinal tract. For further information, see: British Association of Paediatric Surgeons - Gastrointestinal
214	Paediatric Trauma and Orthopaedics Service	1 st April 2016	Surgery Dedicated children's services to treat injuries, congenital and acquired disorders of the bones, joints, and their associated soft tissues, including ligaments, nerves, and muscles. Excludes Trauma Surgery Service - see Treatment Function Code 115 and Spinal Surgery Service - see Treatment Function Code 108. For further information, see: British Society for Children's Orthopaedic Surgery (BSCOS)
215	Paediatric Ear Nose and Throat Service	1 st April 2016	Dedicated children's surgical services for the assessment, diagnosis, management and treatment of ear, nose and/or throat issues. Excludes Audiology Service - see Treatment Function Code 840. For further information, see: British Association for Paediatric Otolaryngology
216	Paediatric Ophthalmology Service	1 st April 2016	Dedicated children's services for the surgical treatment of disorders and diseases of the eye. For further information, see: British & Irish Paediatric Ophthalmology and Strabismus Association
217	Paediatric Oral and Maxillofacial Surgery Service	1 st April 2016	Mouth, jaw and face related surgery Dedicated children's services providing diagnosis and surgical treatment of diseases, injuries and defects involving hard and soft tissues of the mouth, jaws, and neck. Excludes Paediatric Dentistry Services - see Treatment Function Code 142. For further information, see: British Association of Oral & Maxillofacial Surgeons
218	Paediatric Neurosurgery Service	1 st April 2016	The prevention, diagnosis, treatment and rehabilitation Dedicated children's services for the surgical treatment of disorders which affect any portion of the nervous system including the brain, spinal cord, peripheral nerves, and extra-cranial cerebrovascular system. For further information, see: Royal College of Surgeons - Neurosurgery
219	Paediatric Plastic Surgery Service	1 st April 2016	Services to correct Dedicated children's services for correction or to restore form and function. In addition to cosmetic or aesthetic surgery, plastic surgery includes many types of reconstructive surgery, and the treatment of burns. For care given within specialist paediatric burn services, use Paediatric Burns Care Service - see Treatment Function Code 220.
220	Paediatric Burns Care Service	1 st April 2016	To be used by Dedicated children's services for the surgical and non-surgical treatment of burns within recognised specialist burns units and associated outreach services only. For further information, see: British Burn Association

221	Paediatric Cardiac Surgery Service	1 st April 2016	Dedicated children's services for the surgical treatment of the heart or great vessels.
222	Paediatric Thoracic Surgery Service	1 st April 2016	Dedicated children's services for the surgical treatment of diseases affecting organs inside the thorax (the chest). Generally, treatment of conditions of the lungs, chest wall, and diaphragm. For further information, see: British Association of Paediatric Surgeons - Thoracic
223	Paediatric Epilepsy Service	1 st April 2016	Designated clinic which provides services to children-led Dedicated children's services by consultant paediatrician with expertise in epilepsy supported by specialist staff. For further information, see: Royal College of Paediatrics and Child Health - Epilepsy
230	Paediatric Clinical Pharmacology Service	24 th January 2022	Dedicated children's services providing advice and support locally and nationally regarding the introduction of new medicines, adverse drug reactions, poisoning and toxicity, and prescribing policies. For further information, see: Royal College of Paediatrics and Child Health - Drugs and medicines
240	Paediatric Palliative Medicine Service	24 th January 2022	Dedicated children's services improving the quality of life of patients and their families facing the problems associated with life-limiting illness. Prevention and relief of suffering by means of early identification, assessment and treatment of pain and other problems, physical, psychosocial, and spiritual. For further information, see: Royal College of Paediatrics and Child Health - Palliative care
241	Paediatric Pain Management Service	1 st April 2016	Dedicated children's services for complex pain disorders requiring diagnosis and treatment by a specialist multi-professional team Multidisciplinary Team. For further information, see: Royal College of Paediatrics and Child Health - Pain management
242	Paediatric Intensive Care Service	1 st April 2016	Dedicated children's services only to be used by designated Paediatric Intensive Care Units. For further information, see: Royal College of Paediatrics and Child Health - Intensive care medicine
250	Paediatric Hepatology Service	24 th January 2022	Dedicated children's services for the treatment of disease of the liver. For further information, see: Royal College of Paediatrics and Child Health - Hepatology
251	Paediatric Gastroenterology Service	1 st April 2016	Dedicated children's services for the treatment of disorders of the digestive system. For further information, see: Royal College of Paediatrics and Child Health - Gastroenterology
252	Paediatric Endocrinology Service	1 st April 2016	Dedicated children's services for the treatment of disorders of the endocrine system. Excludes Paediatric Diabetes Service - see Treatment Function Code 263. For further information, see: British Society for Paediatric Endocrinology and Diabetes
253	Paediatric Clinical Haematology Service	1 st April 2016	Dedicated children's services contributing to the diagnosis and management of diseases of the blood and bone marrow. May be consultative in other specialties including intensive care. Excludes

			Anticoagulant Service - see Treatment Function Code 324.
254	Paediatric Audio Vestibular Audiological Medicine Service	1 st April 2016	The medical specialty concerned with the investigation, diagnosis and management of patients with disorders of balance, hearing, tinnitus and auditory communication. Excludes audiology and hearing tests Dedicated children's services for the investigation, diagnosis, and management of patients with disorders of balance, hearing, tinnitus, and auditory communication. Excludes Audiology Service - see Treatment Function Code 840. For further information, see: British Association of Paediatricians in Audiology
255	Paediatric Clinical Immunology And Allergy Service	1 st April 2016	Clinical Immunology is the treatment of disorders of the immune system. Allergy Service is the diagnosis and management of allergic disease Dedicated children's services for the treatment of disorders of the immune system and allergic disease. For further information, see: Royal College of Paediatrics and Child Health - Paediatric allergy, immunology, and infectious diseases - sub-specialty
256	Paediatric Infectious Diseases Service	1 st April 2016	SERVICES to diagnose and treat contagious or communicable diseases Dedicated children's services for the diagnosis and treatment of contagious or communicable diseases. For further information, see: Royal College of Paediatrics and Child Health - Paediatric allergy, immunology, and infectious diseases - sub-specialty
257	Paediatric Dermatology Service	1 st April 2016	Dedicated children's services for the treatment of diseases of the skin. For further information, see: The British Society for Paediatric Dermatology (BSPD)
258	Paediatric Respiratory Medicine Service	1 st April 2016	Dedicated children's services for the diagnosis and treatment of respiratory conditions. Also known as Thoracic Medicine and Pulmonary Medicine. For further information, see: Royal College of Paediatrics and Child Health - Paediatric respiratory medicine - sub-specialty
259	Paediatric Nephrology Service	1 st April 2016	SERVICES to treat kidney conditions and abnormalities Dedicated children's services for the diagnosis and treatment of kidney conditions and abnormalities. Also known as Renal Medicine. For further information, see: Royal College of Paediatrics and Child Health - Nephrology
260	Paediatric Medical Oncology Service	1 st April 2016	Dedicated children's services for the diagnosis and treatment, typically with Chemotherapy, of patients with cancer. For further information, see: Royal College of Paediatrics and Child Health - Oncology
261	Paediatric Inherited Metabolic Disease Medicine Service	1 st April 2016	Formerly known as Paediatric Metabolic Disease. Dedicated children's services for the diagnosis and management of inherited metabolic conditions utilising biochemistry and metabolic characteristics requiring the expertise of both the physician and chemical pathologist. For further information, see: Royal College of Paediatrics and Child Health - Inherited metabolic medicine

262	Paediatric Rheumatology Service	1 st April 2016	<p>SERVICES to treat rheumatism, arthritis, and other disorders of the joints, muscles and ligaments</p> <p>Dedicated children's services incorporating the investigation, multidisciplinary holistic management, and rehabilitation of patients with a wide spectrum of disorders of the musculoskeletal system encompassing the locomotor apparatus, bone and connective tissues and blood vessels. For further information, see: Royal College of Paediatrics and Child Health - Rheumatology</p>
263	Paediatric Diabetic Medicine Diabetes Service	1 st April 2016	<p>SERVICES to diagnose, treat and support PATIENTS with diabetes</p> <p>Formerly known as Paediatric Diabetes Medicine. Dedicated children's services for the diagnosis, treatment, and support of patients with diabetes. For further information, see: Royal College of Paediatrics and Child Health - Diabetes</p>
264	Paediatric Cystic Fibrosis Service	1 st April 2016	<p>Dedicated multidisciplinary children's services</p> <p>Specialised, multidisciplinary SERVICE concerned with the diagnosis, assessment, and management of patients with cystic fibrosis. This Treatment Function Code should be used by recognised specialist centres only.</p>
270	Paediatric Emergency Medicine Service	24 th January 2022	<p>Dedicated children's services to care for patients with urgent problems delivered as part of an Accident and Emergency Attendance. Excludes Trauma Surgery Service - see Treatment Function Code 115. For further information, see: Royal College of Paediatrics and Child Health - Emergency Medicine</p>
280	Paediatric Interventional Radiology Service	1 st April 2016	<p>Dedicated children's services for the diagnosis and treatment of diseases utilising minimally invasive image-guided procedures. Not to be used for Diagnostic Imaging - see Treatment Function Code 812. For further information, see: British Society of Interventional Radiology - What is Interventional Radiology</p>
290	Community Paediatrics Service	1 st April 2016	<p>Includes routine health surveillance, health promotion, behavioural paediatrics and Looked After Children. Excludes Paediatric Neuro-Disability</p> <p>Services providing assessment and care to vulnerable children, including those with developmental disorders and disabilities, complex behavioural presentations, and those at risk of abuse or are being abused. Excludes Paediatric Neurodisability Service - see Treatment Function Code 291. For further information, see: Royal College of Paediatrics and Child Health - Community child health - sub-specialty</p>
291	Paediatric Neuro-Disability Service	1 st April 2016	<p>Dedicated Children's services for children with for the diagnosis and treatment of Cerebral Palsy and non-progressive handicapping neurological conditions, with or without Learning Disability / Intellectual Disability. For further information, see: Royal College of Paediatrics and Child Health - Neurodisability</p>
321	Paediatric Cardiology Service	1 st April 2016	<p>Dedicated SERVICES to children with diseases and abnormalities of the heart, with appropriate facilities and support staff</p>

				Dedicated children's services for diseases and abnormalities of the heart. Excludes Congenital Heart Disease Service - see Treatment Function Code 331. For further information, see: Joint Royal Colleges of Physicians Training Board - Paediatric Cardiology
421	Paediatric Neurology Service	Pre 28 th December 1995		Dedicated SERVICES to children to diagnose and treat conditions and diseases of the central nervous system, with appropriate facilities and support staff Dedicated children's services for diagnosis, management and medical treatment of conditions and diseases of the central nervous system, with appropriate facilities and support staff. Excludes Paediatric Epilepsy Service - see Treatment Function Code 223. For further information, see: Royal College of Paediatrics and Child Health - Neurology
Medical Specialties				
180	Accident & Emergency Medicine Service	Pre 28 th December 1995		Formerly known as Accident & Emergency. Services to care for patients with urgent problems delivered as part of an Accident and Emergency Attendance or admission at an Accident and Emergency Department. Excludes Trauma Surgery Service - see Treatment Function Code 115. For further information, see: The Royal College of Emergency Medicine
190	Anaesthetics Service	Pre 28 th December 1995		Services for patients being assessed for anaesthesia, as well as the provision of sedation and anaesthesia for patients undergoing interventional radiology and radiotherapy. This can be used in out-patients only. Pain Management Service should be recorded in Treatment Function Code 191. Intensive Care Medicine Service should be recorded in Treatment Function Code 192. For further information, see: Royal college of Anaesthetists - Anaesthetists
191	Pain Management Service	Pre 28 th December 1995		Services for complex pain disorders requiring diagnosis and treatment by a specialist multi-professional team Multi-disciplinary Team.
192	Critical Care Medicine Intensive Care Medicine Service	1 st April 2016		also known as Intensive Care Medicine. Formerly known as Critical Care Medicine. Services using a body of specialist knowledge and practice concerned with the treatment of patients, with, at risk of, or recovering from potentially life-threatening failure of one or more of the body's organ systems. It includes the provision of organ system support, the investigation, diagnosis, and treatment of acute illness, systems management and patient safety, ethics, end-of-life care, and the support of families. For further information, see: Faculty of Intensive Care Medicine
200	Aviation and Space Medicine Service	24 th January 2022		Also known as Aerospace Medicine Services. Aviation and Space Medicine services study all factors affecting the person in flight. This may include pre-flight preparation and checks as well as inflight care to minimise the potentially harmful effects of their abnormal environment. For further information, see: Royal College of Physicians - Aviation and Space Medicine

300	General Medicine General Internal Medicine Service	Pre 28 th December 1995	Includes sub-categories not elsewhere listed e.g. Metabolic Medicine. Formerly known as General Medicine. Services include adults admitted as emergencies with acute medical problems, including multiple disorders. Patients with problems that are not clearly within the remit of a particular medical specialty are referred for the opinion of a general physician. For further information, see: Joint Royal Colleges of Physicians Training Board - General Internal Medicine (GIM)
301	Gastroenterology Service	Pre 28 th December 1995	The treatment of disorders of the digestive system Screening, diagnostic, and therapeutic endoscopy services including upper and lower gastrointestinal (GI) endoscopy and hepatobiliary endoscopy. Excludes Hepatology Service - see Treatment Function Code 306.
302	Endocrinology Service	Pre 28 th December 1995	The treatment of disorders of the endocrine system, excluding specific Diabetes Services - see Treatment Function Code 307. For further information, see: Joint Royal Colleges of Physicians Training Board - Endocrinology and Diabetes Mellitus
303	Clinical Haematology Service	Pre 28 th December 1995	Services contributing to the diagnosis and management of diseases of the blood and bone marrow. May be consultative in other specialties including intensive care. Excludes Anticoagulant Service - see Treatment Function Code 324. For further information, see: Joint Royal Colleges of Physicians Training Board - Haematology
304	Clinical Physiology Service	Pre 28 th December 1995	Physiological measurement including ECG (e.g. exercise testing, stress testing), gastrointestinal physiology, cardiac physiology, vascular technology, urodynamics, and ophthalmic and vision science. Excludes Clinical Neurophysiology - see TREATMENT FUNCTION CODE 401, Audiology - see TREATMENT FUNCTION CODE 840 or Respiratory Physiology - see TREATMENT FUNCTION CODE 341 Physiological measurement. Excludes Clinical Neurophysiology Service - see Treatment Function Code 401, Audiology Service - see Treatment Function Code 840, Respiratory Physiology Service - see Treatment Function Code 341, Cardiac Physiology Service - see Treatment Function Code 675, Gastrointestinal Physiology Service - see Treatment Function Code 677, Urological Physiology Service - see Treatment Function Code 670, Vascular Physiology Service - see Treatment Function Code 673 and Ophthalmic and Vision Science - see Treatment Function Code 461. For further information, see: The Registration Council for Clinical Physiologists
305	Clinical Pharmacology Service	Pre 28 th December 1995	SERVICES providing drug information, medication safety and other aspects of pharmacy practice Services undertaking and interpreting clinical investigations including clinical trials; optimising the therapeutic use of drugs; detection and analysis of adverse drug effects; contribution to medicines evaluation and management of poisoning. For further information, see: Joint Royal Colleges of Physicians Training Board - Clinical Pharmacology and Therapeutics (CPT)

306	Hepatology Service	1 st April 2016		Medical services for the diagnosis and treatment of liver disease. Also known as liver medicine. For hepatobiliary endoscopy, use Gastroenterology Service - see Treatment Function Code 301
307	Diabetic Medicine Diabetes Service	1 st April 2016		Formerly known as Diabetes Medicine. Services to diagnose, treat and support Patients with diabetes. For further information, see: Joint Royal Colleges of Physicians Training Board - Endocrinology and Diabetes Mellitus
308	Blood Aand Marrow Transplantatio n Service	1 st April 2016		Previously coded within Clinical Haematology (TREATMENT FUNCTION CODE 303). Includes haemopoietic stem cell transplantation Services recognised as specialist units and associated outreach services only. Includes pre- and post-operative specialised services for autologous, allogeneic, or syngeneic Blood and Marrow Transplantation. For further information, see: British Society of Blood and Marrow Transplantation
309	Haemophilia Service	1 st April 2016		Previously coded within Clinical Haematology (TREATMENT FUNCTION CODE 303). Specialist services for the diagnosis, treatment, and management of haemophilia.
310	Audiological Audio Vestibular Medicine Service	Pre 28 th Decemb er 1995		The medical specialty concerned with the investigation, diagnosis, and management of patients with disorders of balance, hearing, tinnitus and auditory communication. Excludes audiology and hearing tests Formerly known as Audiological Medicine. Services concerned with the diagnosis and management of hearing and balance disorders, for example tinnitus, dysacusis and communication disorders. Rehabilitative/habilitative care is delivered by Multidisciplinary Teams and is aimed at improving the well-being and quality of life of the patient concerned. Excludes Audiology Service - see Treatment Function Code 840. For further information, see: Joint Royal College of Physicians Training Board - Audio vestibular Medicine
311	Clinical Genetics Service	Pre 28 th Decemb er 1995		Diagnosis of disorders caused by genetic mechanisms and counselling SERVICE to PATIENTS and affected family members. To be used by recognised specialist units and associated outreach SERVICES only Services for the diagnosis and management of genetic disorders affecting individuals and their families. For further information, see: Clinical Genetics
312 ²	Clinical Cytogenetics and Molecular Genetics	Pre 28 th Decemb er 1995	31 st March 2016	<i>Not a Treatment Function</i>
313	Clinical Immunology and Allergy Service	Pre 28 th Decemb er 1995		Services for the diagnosis and management of patients with diseases resulting from disordered immunological mechanisms, and allergic disease (abnormal immune responses to external substances). Should only be used where there are no separate services for Clinical Immunology and Allergy. For separate services - See Clinical Immunology Service - Treatment Function Code 316 and Allergy Service - Treatment Function

			Code 317. For further information, see: Welcome to the British Society for Allergy & Clinical Immunology (BSACI)
314	Rehabilitation Medicine Service	Pre 28 th December 1995	<p>SERVICES to enhance and restore functional ability and quality of life to those with physical impairments or disabilities.</p> <p>Formerly known as Rehabilitation Service. Services for the prevention, diagnosis, treatment, and rehabilitation management of disabling conditions. Rehabilitation medicine is broadly divided into neurological rehabilitation, spinal cord injury, limb loss and prosthetics and/or musculoskeletal rehabilitation. Excludes Mental Health Recovery and Rehabilitation Service - see Treatment Function Code 725, Cardiac Rehabilitation Service - see Treatment Function Code 327, Pulmonary Rehabilitation Service - see Treatment Function Code 342, Orthotics Service - See Treatment Function Code 658 or Prosthetics Service - see Treatment Function Code 657. For further information, see: Joint Royal Colleges of Physicians Training Board - Rehabilitation medicine</p>
315	Palliative Medicine Service	Pre 28 th December 1995	<p>The treatment for curable illnesses and those living with chronic diseases, as well as PATIENTS who are nearing the end of life</p> <p>Services improving the quality of life of patients and their families facing the problems associated with life-limiting illness and end of life care. Prevention and relief of suffering by means of early identification, assessment and treatment of pain and other physical, psychosocial, and spiritual problems. For further information, see: Joint Royal College of Physicians - Specialty spotlight - palliative medicine</p>
316	Clinical Immunology Service	1 st April 2016	<p>The treatment of disorders of the immune system</p> <p>Services for the diagnosis and management of patients with diseases resulting from disordered immunological mechanisms, and conditions in which immunological manipulations form an important part of therapy. Allergy services should be recorded against Allergy Service - see Treatment Function Code 317. For further information, see: Joint Royal College of Physicians Training Board - Immunology</p>
317	Allergy Service	1 st April 2016	<p>Services for the diagnosis and management of allergic disease (abnormal immune responses to external substances) and the exclusion of allergic causes in other conditions. For further information, see: Joint Royal College of Physicians Training Board - Allergy</p>
318	Intermediate Care Service	1 st April 2016	<p>Intermediate care encompasses a range of multi-disciplinary SERVICES designed to safeguard independence by maximising rehabilitation and recovery after illness or injury</p> <p>Services encompassing a range of multidisciplinary approaches, designed to safeguard independence by maximising rehabilitation and recovery after illness or injury. For further information, see: National Institute for Health and Care Excellence - Understanding intermediate care, including reablement</p>

319	Respite Care Service	1 st April 2016	Services providing temporary care of a dependant person, providing relief for their usual caregivers
320	Cardiology Service	Pre 28 th December 1995	SERVICES treating diseases and abnormalities of the heart Services for patients with heart disease covering a wide range of clinical activities. Management can involve interventional treatment, cardiac imaging, preventative, and therapeutic options. This includes both diagnostic and interventional procedures in the cardiac catheterisation laboratory. For further information, see: Royal College of Physicians - Cardiology
321 ¹	Paediatric Cardiology	1st April 2016	Dedicated services to children with diseases and abnormalities of the heart. with appropriate facilities and support staff.
322	Clinical Microbiology Service	1 st April 2016	Services to treat for the diagnosis, management, and treatment of patients with diseases caused by bacteria, viruses, fungi, and parasites.
323	Spinal Injuries Service	1 st April 2016	Services for non-surgical management of issues of the back and spine. To be used by recognised specialist units and associated outreach services only. Excludes Spinal Surgery Service - see Treatment Function Code 108
324	Anticoagulant Service	1 st April 2016	Services providing the monitoring and control of anticoagulant therapy including the initiation and/or supervision of oral anticoagulant therapy and the determination of anticoagulant dosage. This can be used in out-patients only.
325	Sport And Exercise Medicine Service	1 st April 2016	Specific services providing the diagnosis and management of medical problems caused by physical activity, the prevention of related injury and disease and the role of exercise in disease treatment. Excludes Trauma and Orthopaedic Service - see Treatment Function Code 110, Orthopaedic Surgery Service - see Treatment Function Code 111, and Trauma Surgery Service - see Treatment Function Code 115. For further information, see: Joint Royal Colleges of Physicians Training Board - Sport and Exercise Medicine
326	Acute Internal Medicine Service	24 th January 2022	Services concerned with the assessment, diagnosis and management of adults presenting to secondary care with acute medical illness. For further information, see: Acute Internal Medicine
327	Cardiac Rehabilitation Service	1 st April 2016	Rehabilitation SERVICE for PATIENTS with or recovering from heart related conditions such as heart attacks or from procedures such as coronary artery bypass surgery to ensure that they achieve their full potential in terms of physical and psychological health Services for patients recovering from heart-related conditions such as heart attacks or procedures such as coronary artery bypass surgery to ensure that they achieve their full potential in terms of physical and psychological health
328	Stroke Medicine Service	1 st April 2016	Services for diagnosis, investigation, treatment, and care of stroke patients. Excludes out-patients for stroke services excluding Transient Ischaemic Attack Service - see Treatment Function Code 329. For further information, see: Joint Royal

			Colleges of Physicians Training Board - Stroke Medicine (sub-specialty)
329	Transient Ischaemic Attack Service	1 st April 2016	A multidisciplinary outpatient service for rapid diagnosis and treatment of patients presenting with suspected Transient Ischaemic Attack and mini strokes to minimise the chance of a full stroke occurring and maximise the chances of independent living after a stroke. For further information, see: National Institute for Health and Care Excellence - Stroke and transient ischaemic attack
330	Dermatology Service	Pre 28 th December 1995	Services for the treatment of diseases of the skin. For further information, see: Joint Royal Colleges of Physicians Training Board - Dermatology
331	Congenital Heart Disease Service	1 st April 2016	The management and treatment of congenital heart disease, this includes the ongoing care of children into adulthood. For further information, see: Joint Royal Colleges of Physicians Training Board - Paediatric cardiology
333	Rare Disease Service	24 th January 2022	Services for rare diseases, many of which are present at birth and are either caused by a genetic problem or deficiencies or exposures to substances around the time of conception or during pregnancy. This Treatment Function Code should be used by designated specialist centres only. For further information, see: National Congenital Anomaly and Rare Disease Registration Service
335	Inherited Metabolic Medicine Service	24 th January 2022	Services for the diagnosis and management of inherited metabolic conditions utilising biochemistry and metabolic characteristics requiring the expertise of both the physician and chemical pathologist. For further information, see: Joint Royal Colleges of Physicians Training Board - Metabolic Medicine
340	Respiratory Medicine Service	Pre 28 th December 1995	Respiratory Medicine is also known as Thoracic Medicine and Pulmonary Medicine. Services for the investigation, diagnosis, management, and treatment of patients with respiratory complaints. Excludes acute respiratory failure and adult respiratory distress syndrome (ARDS) - see Intensive Care Medicine Service Treatment Function Code 192 and Respiratory Physiology Service - see Treatment Function Code 341. For further information, see: Joint Royal Colleges of Physicians Training Board - Respiratory Medicine
341	Respiratory Physiology Service	1 st April 2016	Physiological measurement of the function of the respiratory system. Includes Sleep Studies (the diagnosis and treatment of sleep disordered breathing, including upper airway resistance syndrome and sleep apnoea) Services for the physiological measurement of the function of the respiratory system. Excludes Sleep Medicine Service - see Treatment Function Code 347. For further information, see: Association for Respiratory Technology & Physiology
342	Programmed Pulmonary Rehabilitation Service	1 st April 2016	Formerly known as Programmed Pulmonary Rehabilitation. A multidisciplinary programme of care for patients with chronic respiratory impairment. That is individually tailored and designed to optimise the individual's physical and social performance and autonomy

343	Adult Cystic Fibrosis Service	1 st April 2016		Specialised, Multidisciplinary service concerned with the diagnosis, assessment, and management of patients with cystic fibrosis. This Treatment Function Code should be used by recognised designated specialist centres only.
344	Complex Specialised Rehabilitation Service	1 st April 2016	April 2022	This Treatment Function Code will be removed from use from April 2022. No new services should use this code in submissions. However, the previous definition has been retained below for reference: Complex specialised rehabilitation service which meets the NHS Specialised Services Rehabilitation Services' criteria and is registered as a Level 1 service. For further information see the NHS Specialised Services website
345	Specialist Rehabilitation Service	1 st April 2016	April 2022	This Treatment Function Code will be removed from use from April 2022. No new services should use this code in submissions. However, the previous definition has been retained below for reference: Specialist rehabilitation Service which meets the NHS Specialised Services Rehabilitation Services' criteria and is registered as a Level 2a service. For further information see the NHS Specialised Services website
346	Local Specialist Rehabilitation Service	1 st April 2016	April 2022	This Treatment Function Code will be removed from use from April 2022. No new services should use this code in submissions. However, the previous definition has been retained below for reference: Local Specialist rehabilitation service which meets the NHS Specialised Services Rehabilitation Services' criteria and is registered as a Level 2a b service. For further information see the NHS Specialised Services website
347	Sleep Medicine Service	24 th January 2022		Services providing diagnosis and management of sleep disorders including parasomnias, excessive daytime sleepiness, and sleep apnoea. For further information, see: Royal Society of Medicine - Sleep Medicine Section
348	Post-COVID-19 Syndrome Service	24 th January 2022		Multidisciplinary services for patients experiencing long-term health effects following COVID-19 infection, whether or not this was diagnosed at the time of acute illness or the patient was initially asymptomatic. Post-COVID-19 syndrome has also been known as 'long COVID'. For further information, see: National Institute for Health and Care Excellence - COVID-19 guideline: management of the long-term effects of COVID-19.
350	Infectious Diseases Service	Pre 28 th December 1995		SERVICES to diagnose and treat contagious or communicable diseases Services for the diagnosis, management, and treatment of infectious diseases. Excludes Tropical Medicine Service - see Treatment Function Code 352. For further information, see: Joint Royal Colleges of Physicians Training Board - Infectious Diseases
352	Tropical Medicine Service	1 st April 2016		Services to diagnose and treat diseases for the diagnosis, management and treatment of diseases that are found most often in tropical or sub-tropical regions. This Treatment Function Code should be used by designated specialist centres only. Excludes Infectious Diseases Service - see Treatment Function Code 350. For further

			information, see: Joint Royal Colleges of Physicians Training Board - Infectious Diseases and Tropical Medicine
360	Genitourinary Medicine Service	Pre 28 th December 1995	Primarily related to medicine dealing with sexually transmitted diseases Services for the investigation and management of sexually transmitted infections and HIV. For further information, see: Joint Royal Colleges of Physicians Training Board - Genitourinary Medicine (GUM)
361	Nephrology Renal Medicine Service	Pre 28 th December 1995	SERVICES to treat kidney conditions and abnormalities Formerly known as Nephrology. Services for patients with acute renal failure and chronic kidney disease requiring long term care with the help of a Multidisciplinary Team. Most general medical problems in patients with kidney disease are managed by the Renal Medicine Service. Excludes acute renal replacement therapy in the critical care setting, see Intensive Care Medicine Service – Treatment Function Code 192. For further information, see: Joint Royal Colleges of Physicians Training Board - Renal Medicine
370	Medical Oncology Service	Pre 28 th December 1995	The diagnosis and treatment, typically with Chemotherapy, of PATIENTS with cancer Services for the specialised assessment and management of patients with cancer using chemotherapy. Includes treatment option discussions with patients, supervision of therapy and management of any complications of disease and/or treatment that may arise. For further information, see: Joint Royal Colleges of Physicians Training Board - Medical Oncology
371	Nuclear Medicine Service	Pre 28 th December 1995	The treatment of PATIENTS through the use of radioactive substances Services responsible for administration of unsealed radioactive substances to patients for the purposes of diagnosis, therapy, or research. For further information, see: Joint Royal Colleges of Physicians Training Board - Nuclear Medicine
400	Neurology Service	Pre 28 th December 1995	SERVICES to diagnose and treat conditions and diseases of the central nervous system Services for the diagnosis, management, and medical treatment of neurological conditions. Excludes Stroke Medicine Service – Treatment Function Code 328, out-patients for Transient Ischaemic Attack Service - see Treatment Function Code 329. For further information, see: Joint Royal Colleges of Physicians Training Board - Neurology
401	Clinical Neurophysiology Service	Pre 28 th December 1995	Primarily diagnostic service concerned with recording electrical activity from the nervous system to aid diagnosis, classification, and management of neurological disease. The study of the central and peripheral nervous systems through the recording of bioelectrical activity. Includes Electroencephalogram (EEG) and Electromyography (EMG). For further information, see: Joint Royal College of Physicians - Clinical Neurophysiology

410	Rheumatology Service	Pre 28 th December 1995	<p>SERVICES to treat rheumatism, arthritis, and other disorders of the joints, muscles and ligaments</p> <p>Services incorporating the investigation, holistic management, and rehabilitation of patients with a wide spectrum of disorders of the musculoskeletal system encompassing the locomotor apparatus, bone and connective tissues and blood vessels. For further information, see: Joint Royal College of Physicians - Rheumatology</p>
420	Paediatrics Service	Pre 28 th December 1995	<p>SERVICES to treat infants, children, and adolescents</p> <p>Dedicated children's services for the treatment of patients typically aged 0 to 18 for medical conditions, however the environments and other members of the multidisciplinary service are likely to care for surgical patients too. For further information, see: Royal College of Paediatrics and Child Health - General paediatrics - level 3 training</p>
421 ¹	Paediatric Neurology	Pre 28 th December 1995	<p>Dedicated services to children to diagnose and treat conditions and diseases of the central nervous system, with appropriate facilities and support staff</p>
422	Neonatology Neonatal Critical Care Service	1 st April 2016	<p>Special Care, High Dependency and Intensive Care</p> <p>Formerly known as Neonatology. Services providing care for all babies that require on-going, enhanced medical care following birth. Neonatal critical care services are provided in a variety of settings dependent upon the interventions required for the baby and with dedicated transport services to support babies being transferred to and from neonatal care units. Use when Neonatal Level of Care = 1, 2 or 3. Includes Special Care Baby Units (SCBU), Local Neonatal Units (LNU) and Neonatal Intensive Care Units (NICU). Any readmission would be to Paediatric Service - see Treatment Function Code 420, or Paediatric Intensive Care Service - see Treatment Function Code 242. For further information, see: Royal College of Paediatrics and Child Health - Neonatal medicine - sub-specialty.</p>
424	Well Babies Service	1 st April 2016	<p>Services for healthy infants born and referenced by the Maternity record who do not require any intervention other than health screening and prophylactic healthcare. General care given by the mother/substitute with healthcare education if needed. Use when Neonatal Level of Care = 0 - Normal Care: Care given by the mother/substitute with medical and neonatal nursing advice if needed. See Well Baby Excludes Neonatal Critical Care Service - see Treatment Function Code 422</p>
430	Geriatric Medicine Elderly Medicine Service	Pre 28 th December 1995	<p>Formerly known as Geriatric Medicine. Services to treat diseases and disabilities in older adults, particularly those with multiple morbidities. There is no set age at which patients may be under the care of Geriatric Medicine, this decision should be determined by the individual patient's needs. For further information, see: Joint Royal Colleges of Physicians Training Board - Geriatric Medicine</p>

431	Orthogeriatric Medicine Service	24 th January 2022		Multidisciplinary services addressing clinical and social needs in the management of patients with fragility fractures, including hip fractures. The care provided aims to be holistic and to include secondary prevention of fractures as well as acute care. For further information, see: GM - Orthogeriatrics
450	Dental Medicine Specialties Service	Pre 28 th December 1995		Services for dental treatment carried out in a hospital setting. Includes Oral Medicine. For further information, see: British Dental Association .
451	Special Care Dentistry Service	24 th January 2022		Services concerned with the improvement of the oral health of patients and groups in society who have a physical, sensory, intellectual, mental, medical, emotional, or social impairment or disability or, more often, a combination of these factors. The specialty focuses on adolescents and adults only and includes the important period of transition as the adolescent moves into adulthood. For further information, see: Special Care Dentistry Association (SCDA)
460	Medical Ophthalmology Service	Pre 28 th December 1995		SERVICES to diagnose and treat medical conditions affecting the eye, orbits, and visual pathways Medically-led services including assessment, investigation, diagnosis, and management of inflammatory, vascular, and neurological disorders affecting vision. May include public health screening, for example diabetic retinopathy screening. For further information, see: Joint Royal Colleges of Physicians Training Board - Medical Ophthalmology
461	Ophthalmic and Vision Science Service	24 th January 2022		Services providing physiological measurement of the function of the eye and vision. Includes diagnostic electrophysiology of vision, imaging, and biometry.
499 ²	<i>Non-UK provider; specialty function not known; treatment mainly medical (only applicable for overseas providers)</i>	<i>Pre 28th December 1995</i>	<i>31st March 2016</i>	
501	Obstetrics Service	Pre 28 th December 1995		The management of pregnancy and childbirth including Services managing high risk pregnancy including miscarriages and still births but specifically excluding planned terminations. Excludes Midwifery Service - see Treatment Function Code 560. For further information, see: Royal College of Obstetricians & Gynaecologists - Obstetrics and Gynaecology
502	Gynaecology Service	Pre 28 th December 1995		Services for the diagnosis, management, and treatment of disorders of the female reproductive system. Includes planned terminations of pregnancy. For further information, see: Royal College of Obstetricians & Gynaecologists - Obstetrics and Gynaecology

503	Gynaecological Oncology Service	1 st April 2016		Services to treat cancers of the female reproductive system, principally involving surgical members of the Multidisciplinary Team. For further information, see: British Gynaecological Cancer Society
504	Community Sexual and Reproductive Health Service	24 th January 2022		Services supporting people to have a positive and respectful approach to sexuality and sexual relationships and to have pleasurable and safe sexual experiences, free of infection, coercion, discrimination, and violence. The service also provides access to contraception and signposts Maternity Services to support pregnancy and childbirth. Excludes Genitourinary Medicine Service - see Treatment Function Code 360 and Midwifery Service - see Treatment Function Code 560. For further information, see: Faculty of Sexual and Reproductive Healthcare (FSRH)
505	Fetal Medicine Service	24 th January 2022		Services providing specialist care at a designated centre for the fetus or fetuses and mother. This includes assessment of fetal growth and wellbeing; the diagnosis and management of identified fetal disorders (including fetal abnormalities); prenatal fetal intervention and surgery; and counselling and support for parents. Excludes routine maternity screening activities - see Midwifery Service Treatment Function Code 560.
510 ²	Obstetrics— AN (outpatients)	Pre-28 th December 1995	31 st March 2016	Record as Obstetrics, antenatal clinic can be used as a local sub-specialty if required
520 ²	Obstetrics— PN (outpatients)	Pre-28 th December 1995	31 st March 2016	Record as Obstetrics, postnatal clinic can be used as a local sub-specialty if required
560 ¹	Midwifery Service	Pre-28 th December 1995		SERVICES provided under the direct care of a MIDWIFE. Excludes Obstetrics see TREATMENT FUNCTION CODE 501
610 ²	GP Maternity	Pre-28 th December 1995	31 st March 2016	Record as Obstetrics
620 ²	GP Other	Pre-28 th December 1995	31 st March 2016	Use the appropriate function under which the patient is treated
834	Medical Virology Service	1 st April 2016		The diagnosis and management and prevention of virus and related infections, in hospital and in the community including HIV/AIDS, other blood-borne infections like hepatitis B and C and viruses such as SARS and avian flu Clinical services for the diagnosis and management and prevention of blood-borne and/or airborne viral infections. For further information, see: Royal College of Pathologists - Medical Virology
Therapies				
650 ¹	Physiotherapy	1 st April 2016		The treatment of human function and movement to help people to achieve their full physical potential. The use of physical approaches to promote, maintain and restore wellbeing.
651 ¹	Occupational Therapy	1 st April 2016		The use of specific activities to limit the effects of disability and promote independence in all aspects of daily life

652 ¹	Speech And Language Therapy	1 st April 2016		The assessment, treatment and help to prevent speech, language and swallowing difficulties
653 ¹	Podiatry	1 st April 2016		Also known as Chiropody. The diagnosis and treatment of disorders, diseases, and deformities of the feet. Excludes Podiatric Surgery—see Treatment Function Code 663.
654 ¹	Dietetics	1 st April 2016		The application of the science of nutrition to devise eating plans for PATIENTS to treat medical conditions. The promotion of good health by helping to facilitate a positive change in food choices amongst individuals, groups and communities.
655 ¹	Orthoptics	1 st April 2016		The diagnosis and treatment of visual problems involving eye movement and alignment.
656 ¹	Clinical Psychology	1 st April 2016		The diagnosis and treatment of emotional and behavioural disorders.
657 ¹	Prosthetics	1 st April 2016		The supply of prosthetics for PATIENTS
658 ¹	Orthotics	1 st April 2016		The supply of orthoses for PATIENTS
659 ¹	Drama Therapy	1 st April 2016		The use of drama and theatre techniques including role play, voice work and storytelling for therapeutic purposes
660 ¹	Art Therapy	1 st April 2016		The use of art techniques including clay, paint and paper for therapeutic purposes and as a means of communication
661 ¹	Music Therapy	1 st April 2016		The use of music and all of its facets to help clients to improve or maintain their health.
662 ¹	Optometry	1 st April 2016		The diagnosis and non-surgical treatment of disorders of the eye and vision care
663 ¹	Podiatric Surgery	1 st April 2016		The treatment of foot problems, including soft tissue, bone and joint surgery of the foot, ankle, and associated structures. Excludes Podiatry Service—see Treatment Function Code 653.

Psychiatry Mental Health Services

656	Clinical Psychology Service	1 st April 2016		The diagnosis and treatment of emotional and behavioural disorders. Mental Health Services for the assessment, management and treatment of problems including addiction, anxiety, depression, behavioural difficulties, and relationship issues. Methods of assessment include psychometric tests, interviews, and direct observation of behaviour. Assessment may lead to advice, counselling, or therapy. For further information, see: Faculty of Medical Psychotherapy</p>
715	Old Age Psychiatry Service	Pre 28th December 1995	<p>SERVICES providing the diagnosis, treatment, and prevention of mental and emotional disorders in older adult PATIENTS</p> <p>Mental Health Services providing the specialised assessment, treatment and continuing care for older adults suffering a range of mental illnesses, including dementia, depression, or schizophrenia. Excludes specific Dementia Assessment Service - see Treatment Function Code 727. For further information, see: Royal College of Psychiatrists - Faculty of Old Age Psychiatry</p>
720	Eating Disorders Service	1 st April 2016	<p>A specialist service for the diagnosis and treatment of eating disorders including anorexia, bulimia, and compulsive overeating. This is usually a multidisciplinary service which needs to consider both physical and mental health aspects of the patient's care. For further information, see: Royal College of Psychiatrists - Faculty of Eating Disorders Psychiatry</p>
721	Addiction Services	1 st April 2016	<p>The prevention and treatment of substance misuse including drugs and alcohol. If patients have both severe mental illness and problematic substance misuse, see TREATMENT FUNCTION CODE 726 Dual Diagnosis Service</p> <p>Mental Health Services for the treatment of addictive behaviour, including substance misuse, drugs, alcohol, tobacco, and gambling. Excludes patients with both severe mental illness and problematic substance misuse, see Mental Health Dual Diagnosis Service – Treatment</p>

			Function Code 726. For further information, see: Royal College of Psychiatrists - Faculty of Addictions Psychiatry
722	Liaison Psychiatry Service	1 st April 2016	The provision of psychiatric treatment to PATIENTS attending general hospitals including Out-Patient clinics, Accident and Emergency Departments and admission to wards. Deals with the interface between physical and psychological health. Mental Health Services for the provision of psychiatric treatment to patients attending acute hospitals including Out-Patient clinics, Emergency Care departments and admission to wards. Deals with the interface between physical and psychological health. For further information, see: Royal College of Psychiatrists - Faculty of Liaison Psychiatry
723	Psychiatric Intensive Care Service	1 st April 2016	Mental Health Services provided to the provision of psychiatric SERVICES to vulnerable individuals with severe disturbances who are admitted to Psychiatric Intensive Care Units from open acute wards and forensic settings. For further information, see: Royal College of Psychiatrists - Quality Network for Psychiatric Intensive Care Units
724	Perinatal Psychiatry Mental Health Service	1 st April 2016	A specialist psychiatric SERVICE for the diagnosis and treatment of ante-natal and post-natal psychiatric problems Formerly known as Perinatal Psychiatry. Specialist Mental Health Services for the assessment, management, and treatment of pre-existing or new mental health issues during pregnancy or after delivery. For further information, see: Royal College of Psychiatrists - Faculty of Perinatal Psychiatry
725	Mental Health Recovery and Rehabilitation Service	1 st April 2016	Mental Health Services provided to support recovery from mental illness that maximises the patient's quality of life and social inclusion by encouraging their skills, promoting independence and autonomy. For further information, see: Faculty of Rehabilitation and Social Psychiatry
726	Mental Health Dual Diagnosis Service	1 st April 2016	Mental Health Services to provide support to patients with both severe mental illness and substance misuse problems. Personality disorder may coexist with psychiatric illness and/or substance misuse. For further information, see: Mind: Recreational drugs and alcohol
727	Dementia Assessment Service	1 st April 2016	SERVICES for the assessment of PATIENTS with dementia, which may complicate care giving and can occur at any stage of the illness. In addition to memory impairment, dementia may include behavioural and psychological problems. Designated Mental Health Services for the assessment of patients who have or are suspected to have dementia. Dementia complicates care giving and can occur at any stage of the illness and at any age. In addition to memory impairment, dementia may include behavioural and psychological problems. For non-specific Old Age Psychiatry Service - see Treatment Function

				Code 715. For further information, see: Royal College of Psychiatrists - Dementia pathway
730	Neuropsychiatry Service	24 th January 2022		Mental Health Services for brain disorders and integration of psychiatry within clinical neurosciences. For further information, see: Royal College of Psychiatrists - Faculty of Neuropsychiatry
Radiology				
800 ¹	Clinical Oncology (previously Radiotherapy)	Pre-28th December 1995		The diagnosis and treatment, typically with Radiotherapy, of patients with cancer.
810 ²	Radiology	Pre-28th December 1995	31 st March 2016	<i>Not a Treatment Function</i>
811 ¹	Interventional Radiology	1 st April 2016		Diagnosis and treatment of diseases utilising minimally invasive image guided procedures. Not to be used for Diagnostic Imaging—see TREATMENT FUNCTION CODE 812
812 ¹	Diagnostic Imaging	1 st April 2016		The production and interpretation of high quality images of the body to diagnose injuries and disease, e.g. x-rays, Ultrasound Scan, MRI Scan, PET Scan or CT Scan.
Pathology				
820 ²	General Pathology	Pre-28th December 1995	31 st March 2016	<i>Not a Treatment Function</i>
821 ²	Blood Transfusion	Pre-28th December 1995	31 st March 2016	<i>Not a Treatment Function</i>
822 ¹	Chemical Pathology	Pre-28th December 1995		To be used for clinical management only
823 ²	Haematology (non-clinical)	Pre-28th December 1995	31 st March 2016	<i>Not a Treatment Function</i> <i>See Clinical Haematology (303)</i>
824 ²	Histopathology	Pre-28th December 1995	31 st March 2016	<i>Not a Treatment Function</i>
830 ²	Immunopathology	Pre-28th December 1995	31 st March 2016	<i>Not a Treatment Function</i> <i>See Clinical Immunology (316)</i>
831 ²	Medical Microbiology	Pre-28th December 1995	31 st March 2016	<i>Not a Treatment Function</i> <i>See Clinical Microbiology (322)</i>
832 ²	Neuropathology	Pre-28th December 1995	31 st March 2016	
834 ¹	Medical Virology	1 st April 2016		The diagnosis and management and prevention of virus and related infections, in hospital and in the community including HIV/AIDS, other blood borne infections like hepatitis B and C and viruses such as SARS and avian flu
840 ¹	Audiology	1 st April 2016		Physiological measurement and diagnosis of hearing disorders, and the rehabilitation of PATIENTS with hearing loss
Other Services				

560	Midwifery Service	Pre 28 th Decemb er 1995	SERVICES provided under the direct care of a MIDWIFE. Excludes Obstetrics see TREATMENT FUNCTION CODE 501 Services for managing for managing antenatal and perinatal care during pregnancy, and postnatal care following delivery, provided under the direct care of a Midwife. Excludes Obstetrics Service - see Treatment Function Code 501. For further information, see: Royal College of Midwives
650	Physiotherapy Service	1 st April 2016	The treatment of human function and movement to help people to achieve their full physical potential. The use of physical approaches to promote, maintain and restore wellbeing. Services helping patients affected by injury, illness or disability through movement and exercise, manual therapy, education, and advice to manage pain and prevent disease. To encourage development and facilitate recovery, enabling maintenance of work and independence for as long as possible. For further information, see: Chartered Society of Physiotherapy (CSP) - Physiotherapy
651	Occupational Therapy Service	1 st April 2016	Services using The use of specific activities to limit the effects of disability and promote independence in all aspects of daily life
652	Speech And Language Therapy Service	1 st April 2016	The assessment, treatment and help to prevent speech, language and swallowing difficulties Services providing assessment management and treatment of speech, language, communication, and swallowing issues in patients of all ages. For further information, see: Royal College of Speech & Language Therapists - Speech and language therapy
653	Podiatry Service	1 st April 2016	Also known as Chiropody. Services for the diagnosis and treatment of disorders, diseases, and deformities of the feet. Excludes Podiatric Surgery - see Treatment Function Code 663. For further information, see: The College of Podiatry
654	Dietetics Service	1 st April 2016	The application of the science of nutrition to devise eating plans for PATIENTS to treat medical conditions. The promotion of good health by helping to facilitate a positive change in food choices amongst individuals, groups and communities. Services applying the science of nutrition to improve health and treat diseases/conditions by educating and giving practical, personalised advice to patients, patient proxies and other members of the Multidisciplinary Team. They advise on and help to maintain nutritional status during dietary interventions such as exclusion diets and to recommend nutritional supplements. For further information, see: British Dietetic Association
655	Orthoptics Service	1 st April 2016	Services providing the diagnosis and treatment of visual problems involving eye movement and alignment. For further information, see: British and Irish Orthoptic Society
657	Prosthetics Service	1 st April 2016	The supply of prosthetics for PATIENTS Services providing gait analysis and engineering solutions to patients with limb loss. They design

			and provide prostheses that replicate the structural or functional characteristics of the patients absent limb. They often work autonomously or part of Multidisciplinary Teams working closely with Physiotherapists and Occupational Therapists as part of multidisciplinary amputee rehabilitation teams. For further information, see: British Association of Prosthetists and Orthotists (BAPO) - Prosthetists
658	Orthotics Service	1 st April 2016	The supply of orthoses for PATIENTS Services providing gait analysis and engineering solutions to patients with needs of the neuro, muscular and skeletal systems. They design and provide orthoses that modify the structural or functional characteristics of the patient's neuro-muscular and skeletal systems enabling patients to mobilise, eliminate gait deviations, reduce falls, reduce pain, prevent, and facilitate healing of ulcers. They often work autonomously or part of Multidisciplinary Teams such as within the diabetic foot team or neuro-rehabilitation team. For further information, see: The British Association of Prosthetists and Orthotists (BAPO) - Orthotists
659	Drama Therapy Dramatherapy Service	1 st April 2016	The use of drama and theatre techniques including role play, voice work and storytelling for therapeutic purposes Services providing dramatherapy which is a form of psychological therapy focussing on the use of performance arts within the therapeutic relationship. For further information, see: British Association of Dramatherapists
660	Art Therapy Service	1 st April 2016	The use of art techniques including clay, paint and paper for therapeutic purposes and as a means of communication Services delivering a form of psychotherapy that uses art media as its primary mode of expression and communication. Within this context, art is not used as diagnostic tool but as a medium to address emotional issues which may be confusing and distressing. For further information, see: British Association of Art Therapists
661	Music Therapy Service	1 st April 2016	The use of music and all of its facets to help clients to improve or maintain their health. Services delivering a form of psychotherapy that uses music to support psychological, emotional, cognitive, physical, communicative and/or social needs. For further information, see: British Association for Music Therapy
662	Optometry Service	1 st April 2016	Services providing the diagnosis and non-surgical treatment of disorders of the eye and vision care
663	Podiatric Surgery Service	1 st April 2016	The treatment of foot problems, including soft tissue, bone and joint surgery of the foot, ankle and associated structures, excludes Podiatry see TREATMENT FUNCTION CODE – 653 Services involved in the complex management of the foot and ankle involving surgery under both local and general anaesthetic. Excludes Podiatry Service - see Treatment Function Code 653. For further information, see: The College of Podiatry

670	Urological Physiology Service	24 th January 2022	Diagnostic services for the study of erectile, upper, and lower urinary tract function, including urodynamics. For further information, see: The British Association of Urological Surgeons
673	Vascular Physiology Service	24 th January 2022	Diagnostic services for the study of arterial and venous circulation primarily using Doppler ultrasound but including tests such as pressure measurement and plethysmography. Excludes Cardiac Physiology Service – see Treatment Function Code 675. For further information, see: The Society for Vascular Technology
675	Cardiac Physiology Service	24 th January 2022	Services providing physiological measurements of the heart structure/function and response to therapeutic/surgical intervention through the means of a wide spectrum of non-invasive and invasive cardiac diagnostic testing. Examples include echocardiography, cardiac device management. For further information, see: Society for Cardiovascular Science and Technology (SCST)
677	Gastrointestinal Physiology Service	24 th January 2022	Services providing physiological measurement of the gastrointestinal tract. This includes standard catheter based oesophageal pH studies, oesophageal pH impedance, oesophageal manometry, ano-rectal manometry, wireless capsule studies. Excludes Gastroenterology Service – see Treatment Function Code 301. For further information, see: AGIP - Association of GI Physiologists
800	Clinical Oncology (previously Radiotherapy) Service	Pre 28th December 1995	Formerly known as Radiotherapy. The diagnosis and treatment, typically with Radiotherapy, of patients with cancer. For further information, see: Royal College of Radiologists - Clinical oncology
811	Interventional Radiology Service	1 st April 2016	Diagnosis and treatment of diseases utilising minimally invasive image-guided procedures. Not to be used for Diagnostic Imaging – see TREATMENT FUNCTION CODE 812 Services delivering a range of techniques using radiological image guidance including X-ray fluoroscopy, ultrasound, Computerised Tomography Scan (CT), or Magnetic Resonance Imaging Scan (MRI) to precisely target therapy. Excludes Interventional Cardiology - see Cardiology Service Treatment Function Code 320, and Diagnostic Imaging Service - see Treatment Function Code 812. For further information, see: British Society of Interventional Radiology - What is Interventional Radiology
812	Diagnostic Imaging Service	1 st April 2016	The production and interpretation of high quality images of the body to diagnose injuries and disease, e.g., x-rays, Ultrasound Scan, MRI Scan, PET Scan or CT Scan. Services providing medical imaging, especially X-ray based examinations, Ultrasound scan, MRI Scan, PET Scan or CT Scan. Diagnostic imaging is used to confirm, assess, and document diseases, as well as to assess responses to treatment. For further information, see: WHO: Diagnostic imaging

822	Chemical Pathology Service	Pre 28th December 1995		To be used for clinical management only Services interpreting biochemical investigation results to assess, diagnose and treat diseases. To be used for the clinical management of patients by chemical pathology only. For further information, see: Royal College of Pathologists - CHEMICAL PATHOLOGY
840	Audiology Service	1st April 2016		Services providing physiological measurement and diagnosis of hearing disorders, and the rehabilitation of patients with hearing loss. Include hearing services activity, such as hearing tests and the fitting of hearing aids. For further information, see: British Society of Audiology
900 ²	Community Medicine	Pre 28th December 1995	31st March 2016	Not a Treatment Function
901 ²	Occupational Medicine	Pre 28th December 1995	31st March 2016	Not a Treatment Function
920	Diabetic Education Service	1st April 2016		Services providing dedicated small group education courses regarding self-management for diabetic patients
950 ²	Nursing	Pre 28th December 1995	31st March 2016	Not a Treatment Function Use the appropriate function under which the patient is treated
990 ²	Joint Consultant Clinics	Pre 28th December 1995	31st March 2016	Not a Treatment Function
998	Diagnostic*	14th September 2011		
999	Allied Health Professional (AHP) Services*	14th September 2011		

Notes:

* '998' and '999' are not Treatment Function Codes. They are 'pseudo' Treatment Function Codes and are only to be used for the reporting of RTT (Combined) data for diagnostic and Allied Health Professional (AHP) services.

¹ Treatment Function Codes which have changed sections within the Treatment Function Code table.

² Treatment Function Codes which have been retired and have subsequently moved to the 'Retired' table, located beneath the Treatment Function Codes table.

Retired

Code	Treatment Function Title	Valid From	Valid To	Comments
199	Non-UK provider: specialty function not know, treatment	Pre 28th December 1995	31st March 2016	

	<i>mainly surgical (only applicable for overseas providers)</i>			
312	Clinical Cytogenetics and Molecular Genetics	Pre 28 th December 1995	31 st March 2016	Not a Treatment Function
499	Non-UK provider; specialty function not known, treatment mainly medical (only applicable for overseas providers)	Pre 28 th December 1995	31 st March 2016	
510	Obstetrics – AN (outpatients)	Pre 28 th December 1995	31 st March 2016	Record as Obstetrics, antenatal clinic can be used as a local sub-specialty if required
520	Obstetrics - PN (outpatients)	Pre 28 th December 1995	31 st March 2016	Record as Obstetrics, postnatal clinic can be used as a local sub-specialty if required
610	GP Maternity	Pre 28 th December 1995	31 st March 2016	Record as Obstetrics
620	GP Other	Pre 28 th December 1995	31 st March 2016	Use the appropriate function under which the patient is treated
810	Radiology	Pre 28 th December 1995	31 st March 2016	Not a Treatment Function
820	General Pathology	Pre 28 th December 1995	31 st March 2016	Not a Treatment Function
821	Blood Transfusion	Pre 28 th December 1995	31 st March 2016	Not a Treatment Function
